**NutraSelect SuperFlo™ Naturally Odor Controlled Garlic
Garli-Eze™ High Allicin Buffered Garlic**

NutraSelect SuperFlo and Garli-Eze: Odor Controlled Garlic with naturally low Aerobic Plate Count without *irradiation or chemical treatment*. No specks. No defects and **guaranteed APC at less than 10,000 per gram**. SuperFlo features a special high bulk index granulation that is extra free flowing with superior compressibility and less dusting. Garli-Eze is naturally buffered to reduce or eliminate garlic “burp back” and costly enteric coatings.
