

The Natural Acid Neutralizer

Key Benefits:

- **Supports healthy alkaline balance**
- **Contains naturally occurring ingredients**
- **Supports stomach health**
- **Faster tableting, free-flowing compressible granules**
- **Non-corrosive to manufacturing equipment**
- **Easy to handle and cost effective**
- **All active ingredients are USP and manufactured under cGMPs**

US Patent #8,808,774 B2

Comforteze® utilizes a unique patent pending process that combines natural ingredients to quickly and effectively neutralize excess acid. Scientifically formulated with a synergistic blend of proven alkalizing ingredients and ultra low lead USP grade calcium carbonate, Comforteze is found to be **extremely well tolerated and gentle on the digestive system**. Whether it's sour stomach, heartburn, acid indigestion or simply overindulgence in food and drink, Comforteze **delivers rapid digestive comfort to put your stomach at ease**.

Comforteze is available as a dietary supplement in bulk, directly compressible, free-flowing granules. **Comforteze is a natural over-the-counter (OTC) ingredient**, utilizing only Generally Recognized As Safe (GRAS) ingredients, and is subject to the requirements of the monograph for antacids. It is manufactured in an OTC Drug licensed facility, monitored by the US Food and Drug Administration.

Allowed on label claims for Comforteze include:

For the fast relief of:

- Heartburn
- Sour Stomach
- Acid indigestion
- Upset stomach due to these symptoms

Provide your customers with rapid relief – Comforteze, the natural acid neutralizer.
